

# CZ Patch Library QuickStart

1) Connect MIDI cables:

CZPL CASIO OUT -----> Synthesizer MIDI IN  
CZPL CASIO IN -----> Synthesizer MIDI OUT

2) Power the device with either:

5V USB adapter with the included cord  
- OR -  
9V, center+ adapter.

After a few seconds, the display should display PrSt, indicating preset mode. Press the D (Enter) key on the CZPL to enter Preset mode.

## Load a Preset

- 1) Switch your Casio to Internal 1 (CZ-101/CZ-1000) or Memory Location A1 (CZ-3K/5K/CZ-1)
- 2) Enter a number between 0 and 2185 with the numeric keypad.
- 2) Press D to send that preset to Memory Location A1.
- 3) You can use the # and \* buttons to go up or down by one and send to the CZ automatically.

## Save a User Patch

- 1) Press C (Write) to enter Save Mode.
- 2) Put the patch that you want to save into Casio Memory Location A1. You could either write a patch here from a different location on the Casio, or load one of the presets from the CZPL.
- 3) Enter a number between 0000 and 9999 with the keypad, or the \*/# buttons.
- 4) Press D (Enter) to save the patch to your chosen location.

## Load a User Patch

- 1) Press A to enter Main Menu mode.
- 2) Press 2 to select User mode, then press D (Enter) to enter user mode.
- 3) Using the numeric keypad or \*/# buttons, choose the patch you want to load.
- 4) Press D (Enter) to load the patch to Casio Memory Location A1.
